Interactive Personal Service

Finally, What The PC Was Invented For.™

You'll be amazed at what the PRODIGY service can do for you and your family.

And now, you can try it—Risk-Free!

All across the country, people are talking about how their families are using their personal computers to do more than they ever imagined...with the PRODIGY service.

We'll help you with your finances.

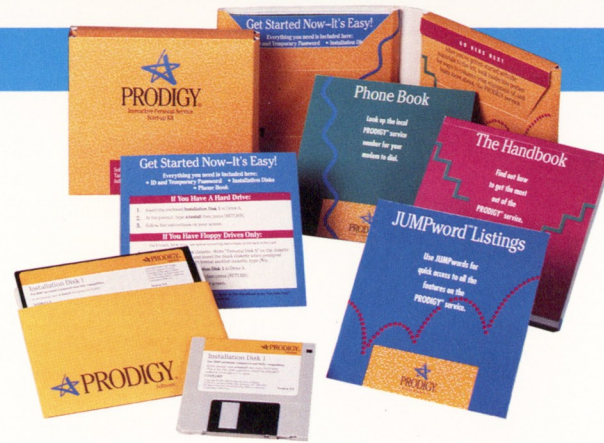

Take you shopping.

Entertain you. Teach your kids.

Keep you informed. And more.

The PRODIGY service is created by a partnership of IBM and Sears. And there's not nearly enough room in this brochure to tell you all the things you can do with it. But here are just a few of them:

Shop for all kinds of items (many available at guaranteed lowest dealer prices)...browse through an online edition of the 21-volume Academic American Encyclopedia that's updated quarterly...get stock quotes quickly, using information provided by Dow Jones News/Retrieval...buy and sell securities through an online discount brokerage service...book

Your Free PRODIGY Service Start-up Kit includes PRODIGY® software, easy-to-follow instructions, a Member handbook, a phone book containing numbers that enable you to connect to the service from any where in the country, and a guide to our exciting features.

travel reservations for hotels, rental cars and flights—at the lowest available airfares...consult a 53-city version of the Mobil Travel Guide™...find restaurant recommendations for dozens of cities in the Zagat Restaurant Survey...get Consumer Reports Ratings...send a message to another member...get advice from over 35 well-known experts...enter humor, sports and trivia contests...let your kids play games like "Where in the World is Carmen Sandiego?", a game that helps them learn geography while they solve crimes...and much more!

It's all just \$12.95 a month— and it's yours to try Risk-Free!

Your whole family can enjoy the hundreds of amazing features on the PRODIGY service (which you can access via phone line with a modem) for just \$12.95 a month. Use the Order Card to the right (or call our toll-free number) and we'll send you a FREE PRODIGY Service Start-up Kit—with software and what you'll need to get started. So don't miss out on all the excitement—order the PRODIGY service today.

Risk-Free OFFER TERMS
